

PSYCHOLOGY

The Psychology list in *Oxford Scholarship Online* reflects the strengths of Oxford's publishing in cognitive psychology, cognitive neuroscience, and cognitive development. OSO features all titles from our renowned and best selling *Oxford Psychology Series*, and also includes other outstanding titles in the core areas of cognitive research, such as cognitive development, developmental neuroscience, affect and emotion, perception, memory, attention, social cognition / social neuroscience, behavioral neuroendocrinology, cognitive models and architectures, ethology and comparative cognition, behavioral genetics, and cognitive engineering / human-technology interaction. The OSO list includes key titles from the core areas of social psychology, such as political, personality, cultural, positive, evolutionary, health, and narrative psychology. It features this year's winner of the William James Book Award, Dan McAdams' *The Redemptive Self*.
